I-964FIRST ARTICLE APPROVAL (GOVERNMENT TESTING)

A. The contractor shall deliver 2 units of lot/item 0001 within 180 calendar days from the date of this contract to the Government at:

Naval Aviation Depot
Attn: Betty Lupton, Code 6.3.674
MCAS Cherry Point, NC 28533-5030

Marking of test sample(s) shipping container:

"FOR FIRST ARTICLE TESTING. NOT RFI MATERIAL. DO NOT TAKE UP IN STOCK. CONTRACT NUMBER:

For First Article Test, the shipping documentation shall contain this contract number and the lot/item identification. The characteristics that the First Article must meet and the testing requirements are specified elsewhere in this contract.

B. Within 120 calendar days after the Government receives the First Article, the contracting officer shall notify the contractor, in writing, of the conditional approval, approval or disapproval of the First Article. The notice of conditional approval or approval shall not relieve the contractor from complying with all requirements of the specifications and all other terms and conditions of this contract. A notice of conditional approval shall state any further action required of the contractor. A notice of disapproval shall cite reasons for the disapproval.

C. If the First Article is disapproved, the contractor, upon Government request, shall submit an additional First Article for testing. After each request, the contractor shall make any necessary changes, modification, or repairs to the First Article or select another First Article for testing. All costs related to these tests are to be borne by the contractor, including any and all costs for additional tests following a disapproval. The contractor shall furnish any additional First Article to the Government under the terms and conditions and within the time specified by the Government.

The Government shall act on this First Article within the time limit specified in paragraph B above. The Government reserves the right to require an equitable adjustment of the contract price for any extension of the delivery schedule or for any additional costs to the Government related to these tests.

D. If the contractor fails to deliver any First Article on time, or the contracting officer disapproves any First Article, the contractor shall be deemed to have failed to make delivery

within the meaning of the default clause of this contract.

E. Unless otherwise provided in the contract, the contractor.

1) May deliver the approved First Article as a part of the contract quantity, provided it meets all contract requirements for acceptance and was not consumed or destroyed in testing and;

2) Shall remove and dispose of any First Article from the Government test facility at the contractor's expense.

F. If the Government does not act within the time specified in paragraph B or C above, the contracting officer shall, upon timely written request from the contractor, equitably adjust under the changes clause of this contract the delivery or performance dates and/or the contract price, and any other contractual term affected by the delay.

G. The contractor is responsible for providing operating and maintenance instructions, spare parts support, and repair of the First Article during any First Article Test.

H. Before First Article approval, the acquisition of materials or components for, or the commencement of production of, the balance of the contract quantity is at the sole risk of the contractor. Before First Article approval, the costs thereof shall not be allocable to this contract for 1) progress payments, or 2) termination settlements if the contract is terminated for the convenience of the Government.

I. The contractor shall produce both the First Article and the production quantity at the same facility and shall submit a certification to this effect with each First Article.

J. The contractor shall provide specific written notification to the procuring contracting officer informing him of the shipment of any article(s) furnished in accordance with this clause. Such notification must be addressed to the attention of PCO DSCR-JFTB. Failure to provide such notification shall excuse the Government from any delay in performing First Article Testing and informing the contractor of the results thereof.

C-330PRODUCTION LOT TESTING REQUIREMENTS

The material produced under contract shall be accepted by the cognizant CAO/QAR contingent upon the successful completion of these requirements.

I. Production Lot Test Sampling Requirements

A. The cognizant CAO/QAR shall select two (2) item(s) at random from the first Production Lot.

B. Production Lot Testing to be completed during production after First Article approval.

II. The tests to be performed under the Production Lot Sample testing provisions of the contract are:

A. Compliance with drawing P/N(78286) 65130-07154-045/043 REV "E12" and associated drawings, latest revisions, and specifications referenced therein.

B. Form/Fit

C. Dimensional Check

D. Review of documentation as provided under CDRL (DD1423) requirements.

In addition to the above tests, the Production Lot Samples(s) to be delivered hereunder shall also be subjected to those tests which will demonstrate that the sample(s) comply with contract requirements. At least 2 samples of each part is required contract requirements.

III. Testing Location, Cost and Estimated Leadtime

A. Ship samples/data to MCAS Cherry Point, NC

B. Shipping container marking: "PRODUCTION LOT SAMPLE-DO NOT TAKE UP IN STOCK"

C. Estimated Cost for Inspection/Test is \$3,500.00.

D. Estimated Leadtime for Inspection/Test is 30 days.

Within fifteen days of completion of Production Lot Testing, NAVAVNDEPOT, NAS Cherry Point and/or CAO/QAR shall prepare and submit two copies of their test report with conclusions and recommendations to the Contracting Officer.

IV. Shipment and Distribution of Samples

A. Fourteen (14) days of completion prior to shipment of production lot sample(s), the contractor shall notify the designated test facility, in writing, of the anticipated shipping date, with an information copy to the PCO DSCR-JFTB. The contractor shall also arrange for preliminary inspection of test samples by the CAO/QAR.

B. Upon shipment of Production lot Sample(s) two (2) copies of the Material Inspection and Receiving Report (DD Form 250), bearing the QAR's signature and indication of preliminary inspection, shall be forwarded to PCO DSCR-JFTB with duplicate copies to NAVICP Code 02 and to the designated test facility. The envelope shall be clearly marked. "DO NOT OPEN IN MAILROOM."

C. Sample(s) may be considered as production items under the contract provided the sample(s) can be refurbished to Ready for Issue (RFI) condition and provided the sample(s) have inspection approval of the cognizant. Sample(s) may be shipped as production items only after all other units required under the contract have been produced and are ready for shipment.

D. The designated test facility and the Contracting Officer shall be notified as to all shipping data applicable to the sample, such as bill of lading number, method of shipment etc. 150 days prior to shipment.

C-331**PRODUCTION LOT SAMPLES TESTING**

A. The Production Lot Samples shall be selected at reandom by the cognizant government inspector. Such samples shall be submitted via the cognizant government inspector, all transportation charges prepaid by the contractor to:

Naval Aviation Depot
Attn: Betty Lupton, Code 6.3.674
MCAS Cherry Point, NC 28533-5030

The samples shall be identified by contract number, lot number and be clearly marked as follows:

**PRODUCTION LOT SAMPLES
NOT RFI MATERIAL
DO NOT TAKE UP IN STOCK**

B. Such samples shall be delivered to the testing facility in sufficient time prior to the deliver date of the production articles to allow a 75 day period for testing by the laboratory and written notification by the contracting officer of the approval or disapproval of the samples. Within 45 days of the receipt of the samples, the testing facility shall notify the contracting officer, Naval Inventory Control Point-NAVICP-Phil Code DSCR-JFTB of the results of the testing, together with a DSCR-JFTB together with a recommendation for approval or disapproval.

C. In the event the contractor does not receive written notification of approval or disapproval of the samples for a particular production lot within 75 day from their submission for such testing, the contract delivery schedule shall be equitably adjusted as necessary.

D. If the contractor fails to deliver any Production Lot Samples for testing within the time or times specified, or if the contracting officer disapproves any Production Lot Samples, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause of this contract, and this contract shall be subject to termination for default.

E. In order for a Production Lot to be acceptable, all samples representative of the lot must pass all the contract requirements. In the event a sample fails to pass such

requirements, the lot will be rejected. In such event, the government may, at its option and at no additional cost to the government, (I) terminate all or any portion of this contract for default, (II) require the manufacture of a new Production Lot, or a rework of the rejected Production Lot if the means and procedures proposed by the contractor for rework are acceptable to the government, or (III) require the submission of additional samples for test. The foregoing procedures shall apply 'to new or reworked production lots in the same way as they did to the original Production Lot.

F. For each additional sample or each resubmission of a modified sample which the contractor is required to submit for approval hereunder as a result of a failure of a previous sample to conform to the requirements of the specification, the contractor shall pay to the government the costs of reinspection, shipping, examination, and retesting by the government, and the contractor and his sureties (if any) shall be liable for the amount of such costs.

G. All transportation charges incurred in the submission and return of any Production Lot Sample shall be borne by the contractor.

H. Nothing contained in the foregoing provisions of this clause, and no action of the government in accordance herewith, shall in any way prejudice the right of the government under the clause of this contract entitled Default.
